Re: Notice of Construction Commencement

Dear Landowner:

Rover Pipeline LLC ("Rover") has recently acquired or is in the process of acquiring an Easement Agreement or a Permit ("Agreement") located on your property. Also, as you know, Rover has applied for and received its Certificate of Public Convenience and Necessity ("Certificate") from the Federal Energy Regulatory Commission ("FERC") for construction and operation of the Rover Pipeline. Pursuant to the terms of the Agreement, Rover is hereby providing written notice that construction will commence on or about February 13, 2017.

A representative of Rover will notify you as to the approximate date that construction personnel will enter your property.

If you have any questions regarding this matter, please contact me at (234) 401-9680.

Sincerely,

Mark Roberts
