

- Meeting called to order at 6:30 pm
- Attended by Mike McIsaac, Deb Peven, Marilyn McGowan, Marcia Tomasko, Angela Brown, Sharon Mischakoff, Bruce Pfister and Marianne Blaszcak

Lake Pro Report: Bruce reported that the treatments last week were not posted on everyone's property. Our concerns about safety for possible swimmers were shared with Lake Pro.

Current and future billings from Lake Pro are estimated to amount to \$37,000 for this year for the treatment of lily pads and algae. Water quality will be tested in the Fall.

Mike made the motion to use association funds to pay for an additional lily pad treatment since many neighbors have raised concerns about how pervasive they have been this summer. The motion passed unanimously.

It was suggested that we pay teenagers living on the lake to rake weeds from the lake to help augment the efforts to improve the water quality.

Harvesting every other year was suggested instead of investing in the purchase of a harvester which is cost prohibitive and would need to be maintained.

Secretary's Report: Minutes from the June meeting were approved.

Treasurer's Report: Current balance is \$21,664.56. Outstanding dues were collected and payment was made for the annual picnic.

Fencing: Zoning supervisor was expected to evaluate old and new fences erected in violation of township and association bylaws on July 19.

Signage: Katrina Walsh reported that the "No Public Access" sign on Westhill has disappeared. Marilyn will order a new sign from Signworks that will be erected on its own pole.

Summer Picnic: Flyers have been distributed so that residents could mark their calendars for the fun-filled annual event. A copy of this is on our Facebook website if anyone missed it! Hot dogs and buns will be purchased. People are asked to bring their own beverages (beer will not be provided this year) and a dish to pass. Donations for the baskets and live auction would be appreciated as the proceeds benefit local children in need.

Website: Angela has researched options and presented the most cost efficient choices. The Board unanimously approved the cost for the domain/website. Please send any pictures you may have of the lake to sendangelabrownemail@gmail.com.

New Business: Unfortunately, three Board members resigned from their positions effective immediately. They will certainly be missed. We would appreciate hearing from anyone who would like to join the Board to fill the vacancies (Treasurer, Vice President and Trustee).

The next board meeting is scheduled for August 15th at Mike's home.

Meeting adjourned at 8:30pm
