CALL TO THE PUBLIC POLICY - ADOPTED ON 08/25/2022

Marion Township Public Participation at Township Board Meetings Policy

The Public shall be given an opportunity to be heard at every Township Board Meeting following this Policy adopted by the Township Board.

The Township Supervisor is the moderator of the meeting. In the absence of the Supervisor, the Township Clerk shall hold an election of the Board Members present to select a moderator for the meeting.

Anyone attending the meeting either in-person or on-line may speak during the "Call to the Public" part of the meeting. To preserve order, those attending in-person will speak first. When all in-person attendees have been heard, the moderator will ask if any on-line attendee wishes to speak.

When recognized by the moderator, in-person attendees shall come to the podium. The moderator will request that they give their name and address before they begin their comments.

When all in-person attendees have finished speaking, the moderator will ask if anyone attending the meeting on-line wishes to speak. On-line attendees may unmute themselves and when recognized by the moderator may speak. On-line attendees will also be asked for their name and address.

All comments shall be addressed to the Township Board. The "Call to the Public" is for attendees to provide information or opinions to the Township Board and is not intended to be a dialog. Anyone needing a response should contact officials or staff during working hours.

To preserve efficiency, speakers will be asked to keep their comments to five minutes or less.

On some occasions, attendees may be asked for comments during agenda items.
