A proposed initiated law to prohibit campaign contributions from certain regulated utilities and government contractors and apply campaign finance laws and regulations to additional types of political communications	
The proposal would:	
- Prohibit regulated electric and gas utilities, contractors with over \$250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.	
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.	
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Howell Public Schools	
Operating Millage Renewal Proposal	
This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining .4411 mill is only available to be levied to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.	
Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Howell Public Schools, Livingston County, Michigan, be renewed by 18.4411 mills (\$18.4411 on each \$1,000 of taxable valuation) for a period of 11 years, 2028 to 2038, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2028 is approximately \$21,695,017 (this is a renewal of millage that will expire with the 2027 tax levy)?
