## **Marion Township Public Participation Policy at Township Planning Commission Meetings**

The Public shall be given an opportunity to be heard at every Township Planning Commission Meeting following the adoption of this Policy.

The Planning Commission Chairperson is the moderator of the meeting. In the absence of the Chairperson, the Planning Commission VICE-Chairperson shall be the moderator of the meeting.

The Public attending the meeting either in-person or on-line may speak during the “Call to the Public” part of the meeting agenda. To preserve order, those attending in-person will speak first. When all in-person attendees have been heard, the moderator will ask if any on-line attendee wishes to speak.

When recognized by the moderator, in-person attendees shall come to the podium. The moderator will request that they give their name and address before they begin their comments. When all in-person attendees have finished speaking, the moderator will ask if anyone attending the meeting on-line wishes to speak. On-line attendees may unmute themselves and when recognized by the moderator may speak. On-line attendees will also be asked for their name and address.

All comments shall be addressed to the Township Planning Commission members. The “Call to the Public” is for attendees to provide information or opinions to the Township Planning Commission and is not intended to be a dialogue. Anyone needing a response should contact officials or staff during normal office hours.

The Public attending the meeting either in-person or on-line will be allowed to ask questions and make comments about NEW and UNFINISHED agenda items. These questions and comments must be made during the discussion of that agenda item. Anyone that would like to speak will raise their hand indicating their desire to speak.

When recognized by the moderator, in-person attendees shall come to the podium. The moderator will request that they give their name and address before they begin their comments. When all in-person attendees have finished speaking, the moderator will ask if anyone attending the meeting on-line wishes to speak about the NEW or UNFINISHED agenda item. On-line attendees may unmute themselves and when recognized by the moderator may speak. On-line attendees will also be asked for their name and address.

The moderator can close the questions and comments session about a NEW and UNFINISHED agenda item at his/her discretion.

To preserve efficiency, at any time during the meeting, each speaker, whether in-person or online will be limited to THREE MINUTES.
