County of Livingston
Renewal of the County Veterans Services Program Millage Proposal

For the purpose of continuing to fund dedicated services and programs to Livingston County veterans of active United States military service and their dependents, including providing funding for the County Department of Veterans' Services, shall the constitutional limitation on general ad valorem taxes which may be assessed in any one (1) year upon all property within the County of Livingston, Michigan, be renewed by up to 0.1117 of one (1) mill (\$0.1117 per \$1,000.00 of taxable value) for a period of six (6) years, from 2028 through 2033, inclusive.

If approved and levied in full, this millage will raise an estimated \$1,600,000 in the first calendar year of the levy. As required by law, a small portion of the millage may also be disbursed to the Downtown Development Authorities of the City of Howell and the Village of Fowlerville; the Tax Increment Finance Authority of the City of Howell; and the Local Development Finance Authority of the Village of Fowlerville.

Operating Millage Renewal Proposal	
<p>This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining 2.2839 mills are only available to be levied to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.</p> <p>Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Pinckney Community Schools, Livingston and Washtenaw Counties, Michigan, be renewed by 20.2839 mills (\$20.2839 on each \$1,000 of taxable valuation) for a period of 10 years, 2027 to 2036, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2027 is approximately \$5,505,761 (this is a renewal of millage that will expire with the 2026 tax levy)?</p>
